DATE:
Sunday, June 24, 2018

TIME:
1:00 – 4:00 pm

LOCATION:
River Front Park
(near the River Front Stage)

DETAILS:

Come explore with us! Join Nature Alberta's Nature Kids and Science Outreach Athabasca for this free event. We're inviting Athabasca families to learn all about the plants and animals that live in your backyard. At the event you'll help our experts look for and identify bugs, birds, fungi and plants while keeping a tally of all the things we see. This event will be held outdoors so be sure to dress for the weather.
