Feedback Information

Please provide us with some feed-back about this conference by filling out this short form and dropping it off at the box marked "Feed-back" or by contacting one of the members of the organizing committee (see program).

1. What two things did you like most about this conference?

2. What two things did you like least (i.e. what we could have done better)?

3. What is the town/city of your residence?

12

4. What day(s) of the conference did you attend? Please circle as appropriate.

Friday, 1 June

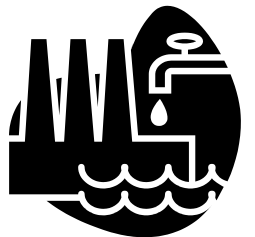

Saturday, 2 June

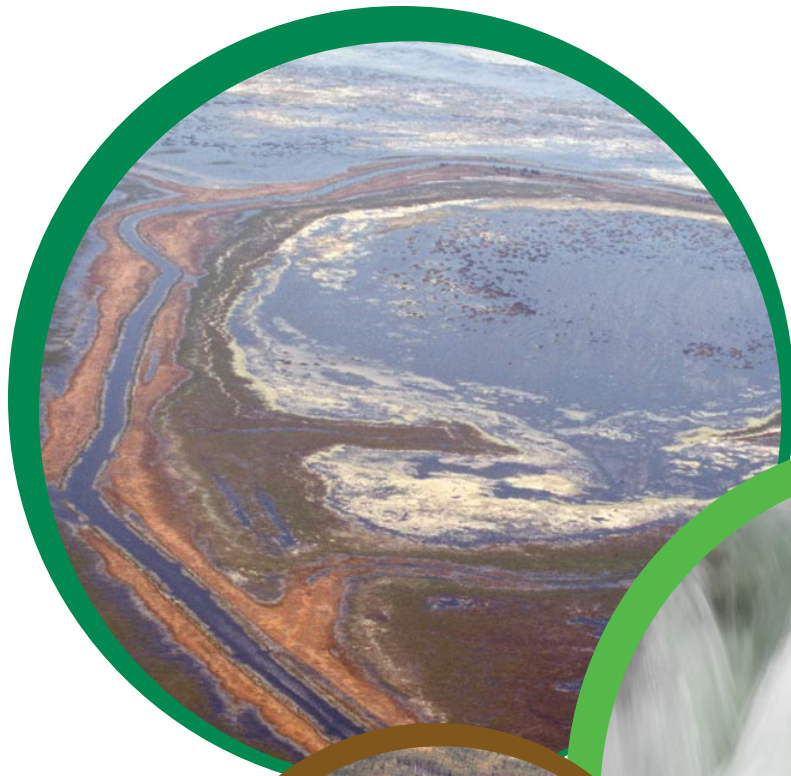

Sunday, 3 June

5. What factors, concerning the Athabasca River Basin, would you like to know more about? In other words, if we held another conference, what issues should we try to cover?

Thanks for your suggestions.
