

**Science Outreach –Athabasca
presents...**

Fossils: Behind the Scenes.

**Speaker: Allan Lindoe (retired),
University of Alberta**

Date: Thursday, January 18, 2024

Time: 7:00 PM to 8:30 PM

**Place: Athabasca University
Governing Council Chambers,
1 University Drive, Athabasca, AB**

Allan Lindoe has been collecting and preparing fossils for the University of Alberta since 1966. He is internationally known as an excellent preparator of fossils, particularly of small and detailed specimens. His talk will focus on collecting, preparing, and casting fossils. Allan will cover the process of finding, collecting and preserving fossils for display and study. Various specimens and displays have been photographed. Join us as Allan shares his photographs and display of tools, casts, and local and exotic fossils. If you attend in person and have fossils that you would like Allan to identify or comment on at the end of the presentation, please bring them to this session.

Free community event!

This will be an in person and virtual event.

Please join us in person or go to our website to join the event online the day of this talk.
