Admission is free.  
Door Prizes!

Special posters and educational material from the  
Alberta Conservation Association will be available.

This captivating documentary by Albert Karvonen takes us into an area around Boyle and Amisk Lake richly populated with wildlife. You will hear the plaintive howling of coyotes and the clash of moose colliding. You will observe the lives of these and many more creatures as the seasons unfold in this boreal wilderness. Great Northern Forest was nominated as the Best Documentary at the Alberta Film Festival and it won the Best Music Award composed by Roger Degan.
