Association.

Join Science Outreach – Athabasca as we welcome Albert and Pirkko Karvonen for an evening of entertainment. The Karvonens are passionate about the environment and education, and their vision is to have families read and understand more about science. We will feature two 30 minute films Heiltsuk: Search for the Wolves and the 3rd Annual Healing Walk (documentary- August 2012) and discuss the need for protecting our natural habitat and water.
