

Science Outreach – Athabasca presents...
**“Water: Featuring Fish Hunters
with Albert Karvonen and
Interviews about the Tar Sands”**

Speaker: Albert Karvonen

Filmmaker and Naturalist

Date: November 6, 2013

Place: Athabasca University
Governing Council Chambers

Time: 7 PM to 8:30 PM

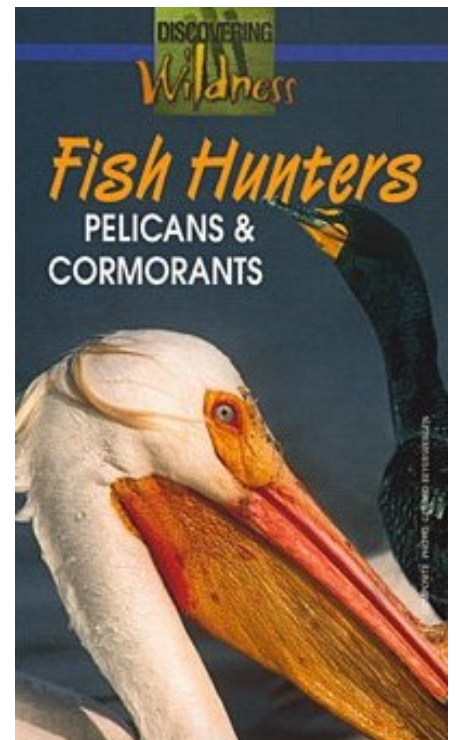

Refreshments will be available after this presentation. Admission is free.
Door Prizes!

Educational material from Alberta Conservation Association and other non-profit organizations will be available.

Will there be habitat for millions of migrant birds? Join Science Outreach – Athabasca, as we welcome Albert Karvonen for a discussion on water and the need for protecting our boreal forest. We will feature the television program *Fish Hunters: Pelicans and Cormorants* which was filmed in the surrounding area. The Karvonens are passionate about the environment and education, and their vision is to have families read and understand more about our natural world.
