

Science Outreach – Athabasca Mushroom Display at Athabasca University

Speaker: Dr. Roland Treu

Date: July 31, 2024

**Place: Athabasca University Science Lab,
1 University Drive, Athabasca, Alberta**

**2:00 PM: Opening of display for viewing in
the Science Lab at Athabasca University**

5 PM: Show and Tell

**(The role of mushrooms in nature,
Identification of mushrooms.)**

Join Dr. Roland Treu on Wednesday, July 31, 2024 for a *Mushroom Display at Athabasca University in the Science Lab*. This is a great opportunity to learn about local edible and poisonous fungi and their identification. You may also bring your own mushrooms for identification. Families with children are encouraged to attend. **FREE event for anyone to attend!**
