

Science Outreach – Athabasca ***Mushroom Hunt at*** ***Narrow Lake***

On Saturday, July 29, 2017, we will hunt mushrooms at Narrow Lake with Roland Treu. Meet at 11:00 AM at Camp Wright, Narrow Lake to chase edible and poisonous mushrooms. After the walk, we will have a ‘show and tell’ to cover the basics of mushroom identification. If you are unable to attend the walk, feel free to bring your own mushrooms at 2:00 PM for identification. Families with kids are encouraged to attend. Be prepared for adverse weather.
