

**Science Outreach – Athabasca presents...**  
**“The Wondrous World of Sharks and Rays”**

**Speaker:** Dr. Robert Holmberg,  
Athabasca University

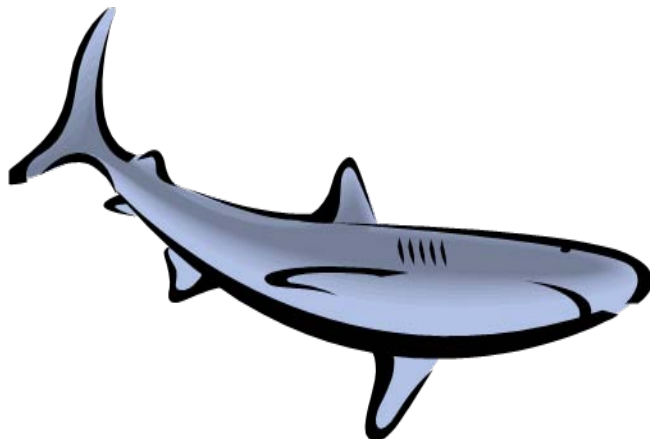

**Date:** Tuesday, 9 February 2010

**Place:** Athabasca University  
Governing Council Chambers

**Time:** 7 PM to 9 PM

Admission is free. Children welcome.

Come and learn about sharks and their relatives – the rays, guitar fishes and saw fishes. Find out which of these fish are dangerous. View cookie-cutter, frilled, megamouth, whale, and wobbegong sharks as well as cownose, electric, freshwater, manta and sting rays. Feel real shark skin and fossil teeth. Examine a dogfish’s anatomy and skeleton.

Refreshments. Draws for prizes.
