Refreshments will be available after this presentation.

Join us for an "Athabasca Mushroom Exhibit". View a variety of mushrooms growing in Athabasca and the surrounding boreal forest on display. Learn how to recognize common edible mushrooms and how to avoid poisonous ones. All visitors are encouraged to bring their own mushrooms for identification and drop them off in the Maple Room at Athabasca University before 4PM. Starting 5 PM: Dr. Roland Treu will introduce the mushrooms on display and explain the basics of mushroom identification. Adults and children welcome.
