Dial in Edmonton: (780) 421-1483
Dial in Calgary: (403) 232-0994
Toll Free: (877) 385-4099
Press *6 to put phone on mute.

Do you want to preserve what gives you approximately 75% of the information we obtain from everything around us?

Then come and see what Robert Holmberg has to say on:

- The most common eye problems
- Prevention and detection
- How to cope if you get one of these problems
- Also, preserving your eyesight and those around you.

Governing Council Chambers
