

The AU Wellness   
Committee Presents...

# Unwanted Guests: Bed Bugs, Lice & Fleas

**Presented By: Robert Holmberg, Ph.D.**  
Wed, Jan 23, 2013 from 12:30pm - 1:00pm  
Thurs, Jan 24, 2013 from 12:00pm - 12:30pm

**Governing Council Chambers and Adobe Connect**  
**Bring your lunch and we will provide refreshments**

This illustrated talk will describe the identifying features of these three groups of parasitic insects, their life cycles, the problems they cause for humans, how to prevent their occurrence in your home and during your travels, and, if you or your home gets infected, an overview of how to kill them.
