

A (MOSTLY) PASSIVE SOLAR GREENHOUSE DESIGN WORKSHOP

Veronica Madonna
AU RAIC Centre for Architecture

Rob Avis
5th World

Help Shape Athabasca's Food Future and Build for Local Harvests

March 5th @ 6-8pm

Light meal 5:30pm

**Athabasca University
Governing Council Chambers**

RSVP on eventbrite

Join our invited experts to learn about the design possibilities for a (mostly) passive solar greenhouse for food production in town.

Participate in the workshop to help forge the path toward a building that serves the community's needs.
